14th November 2025

Dear Parents and Carers,

Visit to Robinwood Activity Centre, Todmorden:19th – 21st November 2025

We are very much looking forward to the Year 6 residential visit, which forms an exciting part of our curriculum offer here at Our Lady and St Brendan's.

On Wednesday 19th November, we will depart school at 8:45am to ensure we arrive in Todmorden in time to begin our first activities. **School will be open from 8:00am** on Wednesday 19th November for bag and medication drop-off. This will allow enough time to check bags, label luggage, and carry out final preparations.

The coach will depart school at approximately 8:45am. You are very welcome to stay and wave the children off as they begin this exciting adventure!

Below is a summary of the key information to support a smooth and successful trip.

Please encourage your child to pack their own bag. This helps them become familiar with the contents and where to find items during the stay. We also recommend that your child keeps a copy of the kit list with them so they can check they have packed everything for the return journey. Please label all belongings with initials. This will help ensure that any laundered items can be returned promptly.

Children should arrive wearing clothes suitable for their first activity session. There is a short walk from the coach drop-off point to the centre (luggage will be transported separately), so please ensure your child wears sturdy footwear suitable for potentially muddy terrain, as well as a waterproof coat in case of rain. Robinwood also provides additional waterproof outerwear if needed.

All medication, including inhalers and creams, should be handed to school staff on the morning of departure. Inhalers will be returned to the children upon arrival to ensure they are readily available throughout the stay.

Please bring all suitcases and bags to the school hall upon arrival so we can attach luggage labels ahead of departure.

With thanks for your continued support,

Mr C. Spillane
Deputy Headteacher
